NOTICE NO 02/2002

ADVICE ON MILEAGE RATE

Subsections 28 (6A) (b), 49 (6B) (b), 50 (2B) (b), 66 (4B) and 83A (5) of the *Seafarers Rehabilitation and Compensation Act 1992* provide the Minister with power to specify rates in respect of any journey to which these provisions apply.

The total increase in the relevant CPI components under the category “Transportation – Private Motoring” for the December quarter 2001 was 0.9%. When applied to the current kilometre rate this increase results in the kilometre rate being unchanged.

As the rate is unchanged it is not necessary to seek the Ministers approval for an adjustment.

The mileage rate will remain at 42 cents from 1 July 2002.
