

OHS CONFERENCE

Best practice OHS in the Australian maritime industry

The Seafarers Safety, Rehabilitation and Compensation Authority (Seacare Authority) proudly presents **Best Practice OHS in the Australian Maritime Industry**. This half day conference will explore opportunities to address key OHS risks impacting on improved OHS performance and on ways to meet OHS improvement targets for the maritime industry. The conference will feature a speaker from another high hazard industry and the local shipping industry and will provide an insight into what is happening nationally through the National Occupational Health and Safety Commission agenda.
