## **NATIONAL SAFETY AWARD FINALISTS**

Two entrants from the Seacare scheme were announced as finalists in the 2008 Safe Work Australia Awards. These national awards recognise excellence in workplace safety.

Categories and finalists from the Seacare scheme are:

**Category 2: Best Solution to an Identified Workplace Health and Safety Issue**

Toll Shipping and Health by Design Pty Ltd

**Category 5: Best Individual Contribution to Workplace Health and Safety**

Aaron Schubert, Teekay Shipping (Australia) Pty Ltd

Mr Geoff Gronow, Chairperson of the Seacare Authority said he was very pleased with the high standard the finalists demonstrated towards workplace health and safety.

"I would like to congratulate these two organisations for their entry into the national safety awards," Mr Gronow said.

"Their commitment to safe and healthy work practices will give the Seacare Authority a strong representation at the national awards," Mr Gronow said.

An independent judging panel will now consider each of the finalists' entries, with the winners being announced on World Day for Health and Safety at Work on 28 April 2009.
